The Vinyl House

Purpose. Beauty. Strength.

The Vinyl House was founded to give everyone in Singapore access to stylish, durable, and affordable vinyl flooring and interiors. As homeowners ourselves, we've experienced the struggle of balancing quality, cost, and aesthetics. Our mission is simple: to transform spaces with elegant, long-lasting solutions that won't break the bank. From selection to installation, we're here to help you create the home you've always wanted – making sure your spaces are as functional as they are beautiful.

Cedar Series

The Cedar Series lets you achieve the luxurious stone and marble look without the hefty price tag. With its on-trend designs and premium finish, it makes a bold statement in any space. Featuring anti-slip, anti-insect, water-resistant, and stain-resistant properties, it's built to withstand the demands of fast-paced homes. Easy to maintain and highly durable, the Cedar Series offers the high-end aesthetic you want with the practicality your space needs.

Insect-free

Environmentally friendly

Water Resistant

Formaldehyde-free

Durable & stable

Fire resistant

Scratch-Resistant

Stain Resistant

Our products

- 1 Inhibits dirt & bacteria build up and offers protection against liquids, fire, scratches & impacts
- 2 Prevents pre-mature wear and tear while preventing discolouration
- 3 High-definition designs with realistic textures and patterns that retain their quality and clarity over time
- 4 Provides strong adhesion, prevents shifting or peeling for enhanced durability
- 5 Adds stability, prevents expansion or contraction, and reinforces the vinyl with dimensional strength
- 6 Enhances longevity while ensuring the flooring maintains its shape, even with changes in temperature and humidity
- 7 Minimises reflected and transmitted sound while providing warmth and comfort underfoot
