## Purpose. Beauty. Strength.

The Vinyl House was founded to give everyone in Singapore access to stylish, durable, and affordable vinyl flooring and interiors. As homeowners ourselves, we've experienced the struggle of balancing quality, cost, and aesthetics. Our mission is simple: to transform spaces with elegant, long-lasting solutions that won't break the bank. From selection to installation, we're here to help you create the home you've always wanted — making sure your spaces are as functional as they are beautiful.

## Olive Series

The Olive Series brings premium Korean craftsmanship to your home with 12 stylish designs. Featuring a high-density PU coating for enhanced protection against scratches and stains, it's durable, easy to maintain, and resistant to discolouration. The Olive Series offers top-tier style and performance for any space, making it the perfect choice for the fast-paced demands of modern homes.

# Olive Series

- 1 Increases scratch and stain resistance while improving appearance and preventing discolouration
- 2 Inhibits dirt & bacteria build up for easy cleaning & prevents pre-mature wear and tear
- 3 High-definition designs with realistic textures and patterns that retain their quality and clarity over time
- 4 Provides strong adhesion, prevents shifting or peeling for enhanced durability
- 5 Adds stability, prevents expansion or contraction, and reinforces the vinyl with dimensional strength
- 6 Enhances longevity while ensuring the flooring maintains its shape, even with changes in temperature and humidity
- 7 Minimises reflected and transmitted sound while providing warmth and comfort underfoot
