SAGE

The Vinyl House

Purpose. Beauty. Strength.

The Vinyl House was founded to give everyone in Singapore access to stylish, durable, and affordable vinyl flooring and interiors. As homeowners ourselves, we've experienced the struggle of balancing quality, cost, and aesthetics. Our mission is simple: to transform spaces with elegant, long-lasting solutions that won't break the bank. From selection to installation, we're here to help you create the home you've always wanted — making sure your spaces are as functional as they are beautiful.

Sage Series

The Sage Series vinyl flooring is the ideal choice for families in Singapore. Made from **100% virgin PVC**, it's environmentally friendly and **free from phthalates and formaldehyde** for a safe, healthy home. With over 15 stylish designs, it's perfect for any space. Plus, the **UV nano coating** adds extra protection by actively eliminating bacteria, keeping your floors and home clean. Durable, safe, and low-maintenance, our Sage Series is built to last.

Insect-free

THE
VINYL
HOUSE

Sage Series

Cleaner indoor air with fewer pollutants

Our ultra-low VOC emissions are 100 times lower than the current European standards – with less than 20 µg/m³ of volatile organic compounds (VOCs) emissions (TVOC after 28 days).

Protect your health from airborne toxins

Our Formaldehyde-Free flooring is classified as E1 under the EN 14041 (the European standard for formaldehyde emissions). This means there is no added formaldehyde in production.

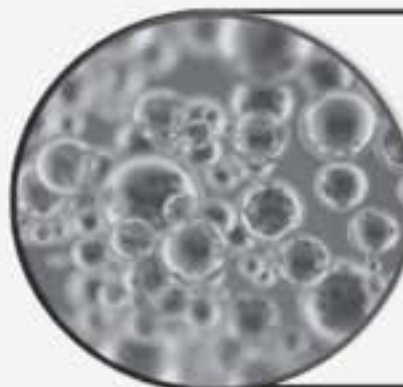

Defend your home against harmful chemicals

We provide safe flooring solutions only – ones we trust for our own families. Our products have been rigorously tested and contain none of the hazardous substances restricted under European Commission Mandate M119 for flooring.

Safer home for your family and you

Our flooring is 100% Phthalate-free. Made with bio-based plasticizers, it is a non-toxic and more sustainable choice.

UV Nano Antibacterial Coating

UV Nano anti-bacterial silver coating sets a new standard by eliminating bacteria at the molecular level. Ultra effective, eco-friendly and extremely durable, it keeps your floors cleaner, safer, and effortlessly healthier.

Certified by Singapore Green Labeling Scheme (SGLS)

Achieve peace of mind knowing that we are committed to reducing environmental impact without compromising durability or style. Our Sage series is eco-friendly, non-toxic, and built to last.

Sage Series

- 1 Actively eliminates bacteria, repels dirt, and resists stains, ensuring effortless cleaning and long-lasting beauty
- 2 Prevents premature wear-and-tear and inhibits dirt and bacteria build up
- 3 High-definition designs with realistic textures and patterns that retain their quality and clarity over time
- 4 Provides strong adhesion, prevents shifting or peeling for enhanced durability
- 5 Adds stability, prevents expansion or contraction, and reinforces the vinyl with dimensional strength
- 6 Ensures a seamless, durable fit, preventing gaps, enhancing stability and longevity
- 7 Minimises reflected and transmitted sound while providing warmth and comfort underfoot
