The Vinyl House

For homeowners, by homeowners.

The Vinyl House was founded to give everyone in Singapore access to stylish, durable, and affordable vinyl flooring and interiors. As homeowners ourselves, we've experienced the struggle of balancing quality, cost, and aesthetics. Our mission is simple: to transform spaces with elegant, long-lasting solutions that won't break the bank. From selection to installation, we're here to help you create the home you've always wanted – making sure your spaces are as functional as they are beautiful.
